DAVE CALANDRA

Acoustic or electric, playing solo or accompanied by drums and percussion, Dave's songs are refreshing and contemporary, yet layered with subtle folk and blues undertones. A gifted songwriter with a knack for contagious melodies, Dave draws from his wealth of life experience and pens one beautiful song after another. On-stage he is a formidable musician with an almost tangible presence, and he is also a generous storyteller. From the deserts of Central Australia to the streets of Calcutta and New York, Dave's 'between-song' travel stories are dispensed with eloquence and charm, and a healthy dose of humour - www.davecalandra.com
